Among all those who helped to make possible the production of this book, we should like especially to thank Willem Heyting, of the Department of Old and Rare Books in the Library of the Free University, for advice with the photographs and prints, and Liesbeth Lenderink, of the University's English Department, for typing the final version. Our colleague Lachlan Mackenzie generously assisted us with the reading of the proofs.

The text of Samuel Beckett's *Lessness* appears by kind permission of John Calder (Publishers) Ltd.
