Harvard Egyptological Studies

This monograph series (“HES”) was established in 2015 to present scholarly publications in the field of Egyptology. It highlights, but is by no means limited to, sites and selected aspects of the Harvard University-Boston Museum of Fine Arts Expedition (1905–1947). Invited topics include recent PhD dissertations; reports from excavations; specialized studies in ancient Egyptian language, history, and culture; conference proceedings; publications of scholarly archives; and historiographical works covering the field of Egyptology. *Harvard Egyptological Studies* is published by the Department of Near Eastern Languages and Civilizations, and the Department of Anthropology, both of which are in the Faculty of Arts and Sciences at Harvard University.
