
The Colour Plates

Note. The insects illustrated on Plates 1-3
are not shown to the same scale.

Plate 1. *Tettigoniidae* (Bush-crickets)

1 *Phaneroptera falcata* (Sickle-bearing Bush-cricket)

Photo: K. G. & R. A. Preston-Mafham

2 *Tylopsis lilifolia* (Slender Bush-cricket)

Photo: M. Chinery

3 *Leptophyes punctatissima* (Speckled Bush-cricket)

Photo: C. G. Butler

4 *Polysarcus denticauda* (Large Saw-tailed Bush-cricket)

Photo: M. J. Skelton

5 *Poecilimon ornatus* (Ornate Bush-cricket)

Photo: The Natural History Museum, London

6 *Meconema thalassinum* (Oak Bush-cricket)

Photo: P. A. Bowman

7 *Conocephalus dorsalis* (Short-winged Cone-head)

Photo: P. T. Chadd

8 *Ruspolia nitidula* (Large Cone-head)

Photo: The Natural History Museum, London

9 *Tettigonia viridissima* (Great Green Bush-cricket)

Photo: Ron & Christine Foord

10 *Decticus verrucivorus* (Wart-biter)

Photo: Ron & Christine Foord

11 *Decticus albifrons* (White-faced Bush-cricket)

Photo: P. T. Chadd

12 *Platyleis sepium* (Sepia Bush-cricket)

Photo: P. T. Chadd

Plate 2. Tettigoniidae, Gryllidae (Bush-crickets, True Crickets)

1 *Platycleis tessellata* (Brown-spotted Bush-cricket)

Photo: The Natural History Museum, London

2 *Metrioptera brachyptera* (Bog Bush-cricket)

Photo: P. A. Bowman

3 *Metrioptera roeselii* (Roesel's Bush-cricket)

Photo: Ron & Christine Foord

4 *Pholidoptera griseoaptera* (Dark Bush-cricket)

Photo: A. Beaumont

5 *Eupholidoptera chabrieri* (Chabrier's Bush-cricket)

Photo: M. Chinery

6 *Anonconotus alpinus* (Small Alpine Bush-cricket)

Photo: P. T. Chadd

7 *Antaxius pedestris* (Pyrenean Bush-cricket)

Photo: M. Chinery

8 *Ephippiger ephippiger* (Saddle-backed Bush-cricket)

Photo: M. Chinery

9 *Uromenus stalii* (Stål's Bush-cricket)

Photo: The Natural History Museum, London

10 *Gryllus campestris* (Field-cricket)

Photo: C. G. Butler

11 *Nemobius sylvestris* (Wood-cricket)

Photo: C. G. Butler

12 *Oecanthus pellucens* (Tree-cricket)

Photo: The Natural History Museum, London

All adult males

Plate 3. *Gryllotalpidae, Acrididae* (Mole-crickets, Grasshoppers)

1 *Gryllotalpa gryllotalpa* (Mole-cricket)

Photo: B. C. Pickard

2 *Stethophyma grossum* (Large Marsh Grasshopper)

Photo: M. J. Skelton

3 *Arcyptera fusca* (Large Banded Grasshopper)

Photo: P. T. Chadd

4 *Euthystira brachyptera* (Small Gold Grasshopper)

Photo: P. T. Chadd

5 *Omocestus viridulus* (Common Green Grasshopper)

Photo: P. T. Chadd

6 *Stenobothrus lineatus* (Stripe-winged Grasshopper)

Photo: The Natural History Museum, London

7 *Gomphocerus sibiricus* (Club-legged Grasshopper)

Photo: E. C. M. Haes

8 *Gomphocerippus rufus* (Rufous Grasshopper)

Photo: K. G. & R. A. Preston-Malham

9 *Stauroderus scalaris* (Large Mountain Grasshopper)

Photo: The Natural History Museum, London

10 *Chorthippus biguttatus* (Bow-winged Grasshopper)

Photo: P. H. Ward

11 *Chorthippus parallelus* (Meadow Grasshopper)

Photo: D. E. Kimmins

12 *Euchorthippus declivus* (Sharp-tailed Grasshopper)

Photo: P. T. Chadd

All adult males except fig.2, which shows both sexes
