The present study draws as necessary upon my earlier works, *The Law of Soviet Territorial Waters* (New York: Frederick A. Praeger, 1967); (with J. B. Quigley), *The Merchant Shipping Code of the USSR 1968* (Baltimore-London: The Johns Hopkins Press, 1970); *The Soviet Union and the Law of the Sea* (Baltimore-London: The Johns Hopkins Press, 1971), and my assorted articles and collected source materials cited in the text.

I should like to express particular gratitude to the Scott Polar Research Institute, Cambridge, England, for use of their splendid research collection and to the Center for the Study of Marine Policy, University of Delaware, for initiating and supporting this study.

Transliteration of Russian names and terms follows the Library of Congress system with minor modifications and the elimination of diacritical markings.
