

Acknowledgements

This work was made possible by grants from the *Norwegian Ministry of Foreign Affairs*, the *Norwegian Ministry of Defence*, and the *Norwegian Institute for Defence Studies*. The *Norwegian Institute of International Affairs* (NIIA) and the *Norwegian Institute for Defence Studies* (NIDS) provided facilities and a stimulating environment during my research. Without the special support of the late Kjell Skjelsbæk (NIIA) and Dir. Olav Riste (NIDS) this project could not have been completed.

Several individuals, from various institutions, contributed to the completion of the bibliography. I would like to express my gratitude to:

Bredo Berntsen, Victor Bird, Rima Bordcosh, Kristin Wergeland Brekke, Bjørn Egge, Åge and Kirsten Eknes, Dagfrid Hermansen, Tore Gustavsson, Anne C. Kjelling, Irene P. Kulblik, Ivar Liseter, Astrid Müller, Gro Skaaren-Fystro, Eilert Struksnes and Terje Svendsen.

Any shortcomings and errors are, of course, the responsibility of the author.

I dedicate this work to the memory of Kjell Skjelsbæk - research fellow and former acting director of the *Norwegian Institute of International Affairs*.

Oslo, August 1992

Gunnar Fermann
