I am indebted to the following institutions - and the people there who make decisions and order the paper work - for financial support: The British Academy, UK Erasmus Students Grants Council, the Renate Gunn travelling scholarship at the German Department of the University of Nottingham, Deutscher Akademischer Austauschdienst. Thanks also go to the staff of the Uwe Johnson-Archiv in Frankfurt for letting me in and showing me around.

I would like to thank: Otto Adomat, Philip Bond, Jeremy Gaines, Jürgen Grambow, Thomas Irmer, Paul O'Doherty, Julian Preece and Jonathan Thorpe for help of various kinds, and all staff at the German Department of the University of Nottingham for years of encouragement. A special thank you to Kati Bond whose help was invaluable in so many ways, and to Professor J.H. Reid for patiently reading so many rejected draft versions.
