L is dated to the late 10th or early 11th century. G is dated 1282 A.D. Turyn assigns FHV to about 1290-1300 A.D., and puts RZr in the 15th and Q in the 16th centuries. Xr carries the date 1412 A.D., and Xs is probably of much the same date. The remaining MSS are assigned to the 14th century.
