Acknowledgements

It is the editors' great pleasure to express their gratitude to all those who graciously sponsored the conferences held in Nida (1997) and Telšiai (2001), Lithuania, and, thus, contributed to the coming about of this book.

We are especially pleased to acknowledge the generous financial support of the Volkswagen-Stiftung in Hanover, Germany. Without its support, the conferences could not have taken place nor could the book have been published.

Our appreciation goes equally to the Seimas of the Republic of Lithuania as well as the Regional Museum of the City of Telšiai.

We owe a great debt of gratitude to Dr Stephen C. Rowell, Senior Fellow at the Lithuanian Institute of History, for graciously proofreading and editing the manuscript of the book.

A word of thanks is due also to Mr Emanuelis Zingeris, Director of the Vilna Gaon Jewish State Museum, Lithuania, for giving permission to use some photographs and materials to design the cover of the book.
