

BIBLIOGRAPHY OF INTERNATIONAL LAW CONCERNING ASIAN AFFAIRS*

EDITORIAL INTRODUCTION

Except for some minor modifications this bibliography follows the same format as in the preceding volumes: it provides information on books, articles and other materials dealing with Asian topics and, in exceptional cases, it includes other publications considered of general interest. English language publications only are cited here.

In the preparation of this bibliography good use has been made of book review sections of established professional journals in international law, Asian studies and international affairs. Special mention should be made of the bibliography on Public International Law published by the Max Planck Institute for Comparative Public Law and International Law at Heidelberg, Germany, and of the regular lists of acquisitions of the Peace Palace Library in The Hague, The Netherlands.

For the full name of frequently listed journals, see List of Abbreviations on p. ix of this Yearbook.

The headings used in this year's bibliography are:

1. General
2. States and groups of states
3. Territory and jurisdiction
