

## ACKNOWLEDGEMENTS

We would like to thank all contributors to both this volume and the two conferences, as well as all those who helped organise and subsidise both events. Bryan Ward-Perkins was joint convenor at Oxford and advisory editor for this volume. Yuri Marano organised the session in Padova, thanks to the generosity of Gian Pietro Brogiolo. The Craven Fund Committee, the Oxford Byzantine Studies Committee, the British Institute of Archaeology at Ankara and the British Academy provided generous grants towards the cost of the Oxford meeting. At Oxford, Lukas Schachner's organisation was outstanding. Finally, our thanks go to Julian Deahl for agreeing to publish these papers and to him, Marcella Mulder, Gera van Bedaf and others at Brill for their work on this manuscript.
