

ACKNOWLEDGEMENTS

The idea for this volume grew out of discussions in 1984 among permanent staff members and visiting research scholars at the Documentation Office for East European Law. Those directly involved in the early planning included George Ginsburgs, Ger van den Berg, William Simons, Georg Brunner, and F.J.M. Feldbrugge. While some of the editing work has been done outside of the Documentation Office, that institution has borne most of the responsibility for bringing this project to fruition. The Editor-in-Chief would like to acknowledge in particular the work of Ania van der Meer and Els Gommers, professional staff members of the Documentation Office.
