Submission Guidelines

The *Journal of Black Religious Thought* has online submission only, using Editorial Manager (EM), an online submission and peer review tracking system which is currently used worldwide by over 3000 journals. Editorial Manager allows authors to track the progress of their submission online. Via the EM website for the journal at www.editorialmanager.com/jbrtbrill, authors are guided step-by-step through the submission process. The system automatically converts all source files of the article to a single PDF that is then used in the peer-review process. All correspondence between editors, authors and reviewers proceeds via e-mail.

Prior to a submission, please read the Instructions for Authors (IfA) which can be downloaded at brill.com/fileasset/downloads_products/Author_Instructions/JBRT.pdf.

For more details on online submission, please visit our EM Support page at brill.com/page/submittingonline/submitting-a-journal-article-online. For general questions about Editorial Manager, authors can also contact the Brill EM Support Department at: em@brill.com.
